**PETITION TO THE COMMISSIONER UNDER 37 CFR 1.181
(REQUESTING WITHDRAWAL OF HOLDING OF ABANDONMENT)**

Honorable Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is a request to withdraw a holding of Applicants' application as abandoned on the basis that the application was in fact not abandoned. The grounds for this request are provided herein.

STATEMENT OF FACTS:

Applicants received a Notice of Allowance (NOA) dated 9 January 2007 corresponding to the above-indicated patent application and for which a period of response of three months had been set, thereby providing a due-date of 9 April 2007.

On 3 April 2007, a complete response to the NOA was provided to the U.S. Patent Office via U.S. Mail, certificate of mailing. Exhibit A is a copy of this response, in this instance two copies of the form (PTOL-85) identified as: "Part B - Issue Fee Transmittal." A return receipt post card was also sent accompanying this response, a copy of which is furnished herein as Exhibit B.

Exhibit A contains a Certificate of Mailing that is signed by Ms. Vandy Lehman and dated 3 April 2007 as the date of deposit of this document with the United States Postal Service. Exhibit C is a declaration signed by Ms. Lehman wherein she states that on 3 April 2007 she personally signed and dated the Certificate of Mailing found on Exhibit A. Ms. Lehman states that by virtue of her signing and dating the Certificate of Mailing on 3 April 2007, it was her belief that the correspondence in issue would be deposited with the United States Postal Service that day.

Ms. Lehman's belief is based upon a previously agreed-to arrangement with the mail room at Ms. Lehman's employment. This agreement provided that if Ms. Lehman provided correspondence to a visiting mail room person that day, then mail room personnel would see to it that that correspondence would be deposited with the United States Postal Service for mailing that day. Ms. Lehman states that the arrangement with her employer's mail room had been in place for a long time prior to the mailing in issue and that based upon her experience with the agreed-to mailing arrangement, she had the reasonable expectation that the mailing in issue would be

Serial No. 10/750,626; Navy Case No. 84930

deposited with the United States Postal Service that day.

Title 37 Code of Federal Regulations Section 1.8 titled "Certificate of Mailing or Transmission" provides, in part, in subpart (b) thereof that:

... correspondence will be considered timely if the party who forwarded such correspondence:

- (1) Informs the Office of the previous mailing or transmission of the correspondence promptly after becoming aware that the Office has no evidence of receipt of the correspondence;
- (2) Supplies an additional copy of the previously mailed or transmitted correspondence and certificate;

and

- (3) Includes a statement that attests on a personal knowledge basis or to the satisfaction of the Director to the previous timely mailing, transmission or submission.

POINT OR POINTS TO BE REVIEWED:

Does the evidence presented by Applicants compel a finding of a timely response and thus support a withdrawal of the holding of abandonment?

ACTION REQUESTED:

The Commissioner is hereby respectfully asked to withdraw the holding of abandonment based upon the Applicants successfully meeting all of the requirements of 37 CFR 1.8(b). It is requested that the above-described application be found to have not, in fact, become abandoned.

Respectfully submitted,

Peter A. Lipovsky

DECLARATION OF VANDY LEHMAN

Honorable Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

I Vandy Lehman declare:

1) Regarding the Notice of Allowance (NOA) of 9 January 2007 corresponding to the above-referenced U.S. Patent Application and due no later than 9 April 2007, I personally signed and dated a Certificate of Mailing on the response to the NOA, the particulars of which are described below.

2) On 3 April 2007, I personally signed a Certificate of Mailing, dated 3 April 2007, printed directly upon form PTOL-85 titled "PART B - FEE(S) TRANSMITTAL" (hereafter "Response"). This Response, identified as Exhibit A attached hereto, as well as a Return Post Card, identified as Exhibit B attached hereto, were placed in an envelope by me addressed to Box Issue Fee, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 (hereafter

"correspondence").

3) The correspondence was then placed by me into our office mail out-box and it was picked up that day by one of our mail room personnel for delivery to the United States Postal Service that day. Our office has an arrangement with our mail room wherein mail that we make available for pick up that day by mail room personnel will be delivered to the United States Post Office that day. This agreement has been in place for some time and I have confidence that this mailing process is reliable. On the day in question, I had no reason to believe that the mail in issue would not be delivered that day to the United States Postal Service.

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
